Please ask the M.C. to have enquiries made as to why there is no expenditure in the case of these institutions for three consecutive years from 1924-25. This investigation may be required to be conducted very early. The results of the enquiry should be reported to Govt. Whether the lands of these institutions are being regularly leased out and the annual gullai amounts are being received and credited to the accts of the institutions are connected should to be examined in the course of the investigation. The fact that no charges were incurred for three successive years points to the probability that most of these institutions are defunct and care is therefore necessary to see that they are not proposed to be continued, by persons deriving unauthorised benefit from their Nominal Maintenance. The Amildars of the Talukas concerned may be required to enquire into these cases and submit their reports within Month.

MYSORE, JUNE 1924.

To

28·6·24

His Highness Sir Sri Krishna Raja Wadeyar Bahaddur
G. C. S. I., G, C. B. E.,
MAHARAJA OF MYSORE.

May it please your Gracious Highness,

On behalf of the members of the Rajput Community and other immigrants into this state from Northern India, we the undersigned crave permission to approach your Highness most reverently with the humble prayer that your Highness may be pleased to condescend to give a sympathetic consideration to the disabilities affecting the Religious Institution of which we are disciples, and to grant the required state support to improve its efficiency and usefulness, in the interest of our religious observances.

Though we form a minority of your Highness' subject population, we are none the less loyal. Our ancestors who came into this state centuries ago, settled themselves here permanently, and we their descendants have no manner of connection with the land of our forefathers. All our concerns and interest being confined within this State, we look to your Highness alone as our Protector and Ruler, for our communal uplift and happiness and its material and moral progress All that we have inherited from the original home of our ancestors and tried to preserve as a sacred relic is the religious rites and customs prevailing in Northern India, where only the **Panchagouda** Brahmins are recognised and acknowledged by the Hindus as their spiritual guides or Gurus. The only Institution in this State or in Southern India, saving the Tirupathi Matt, that gives the benefit of a Panchagouda Brahmin Guru is the Bhyragi Matt founded at Melkote, Seringapatam Taluk.

3. Apart from attending to the purification and other religious ceremonies of its followers, the chief functions of this Matt are to celebrate the daily morning and evening **Poojas** with **Deeparadhana** of Sri Srinivasadevaru and Sri Ramadevaru, to attend to the free supply of wants of pilgrims from defferent parts of India to the shrine of Sri Cheluva Rayaswami, and to treat at all times Bhiragis and other religious mendicants that visit the place with food and other hospitalities.

4. To enable the Matt to conduct these charities permanently, the two villages of Bamigatti and Bijenahalli of an annual income of 200 pagodas in the Attikuppe Taluk had been granted to it as Jahagir. Upon the resumption of this Jahigir under the policy of the then Government, a small cash grant to the extent of 24 pagodas per annum was sanctiond under the orders of Devan Purniah. This was subsequently raised to 50 pagodas under the late His Highness Krishna Raja Wadeyar Bahadur's order dated 2nd March 1828 The inadequacy of even the enhanced grant being duly represented, the very Maharaja was graciously pleased to order under His Highness's own sign-mannal dated 24th June 1830

that **five** seers of rice with necessary accessories be given as a permanent measure to this Matt every day, with an injuction against its refusal under any account A copy of this order is respectfully submited herewith for kind perusal. It was further ordered at the same time that on the occasion of the celebration of Sri Krishna Raja Tirunal every year, **ten** seers of extra rice with all accessories be given per day to the Matt for extra feeding.

5. The patronage thus extended by the late His Highness Krishna Raja Wadeyar Bahadur excited the jealousy of the then authorites of the Melkote Temple, who were treating this Matt contemptuously, deeming it to be an alien institution of a low order. These bigotted people, ever bent on stifling the growth of the Matt, found a fitting opportunity in the eary days of the British Administration of Mysore, when through their influence with the local officials they managed in spite of the Royal Command, to stop the grant of all grain allawances required to be issued out of the Temple Stores, taking advantage of the Mahunts' ignorance of the Kannada language and the inability of the Matt's disciples to make an effective representation. Since then, the Matt has been enjoying only the cash grant of 50 pagodas, laterly converted into monthly payments of Rs. 14-1-0 each, inclusive of the light-allowance of Rs. 0-12-0.

6. With this curtailed grant, it was found very difficult to perpetuate the charities and other functions of the Matt, so much so that the Institution should have collapsed long ago, but for the aid it received through the personal influence of its diciples and devotees, comprising of Rajaputs, Mahrattas and men of several other communities, in the shape of money and a few endowed lands in certain vilages of Nagamangala and Seringapatam Taluks.

7. This supplemental income was also found to be too short of the actual requirements of the Matt, to feed the Sadhus and other mendicants that were visiting it in increasing numbers year after year. The Mahunts had therefore to keep on inevitably itinerating to collect alms for the purpose. In this direction, Sri Achuta Ramanuja Das, the present Mahunt has for the last 20 years been with untiring zeal, touring all round the year, more than any of his predecessors, to collect larger contributions in the Northern parts of India, to meet the ever growing demands of the Matt.

8. Though the Mahunt's continuous absence from the Matt has been materially tending to the continuance of the liberal dispensation of its charities, the present standard of which cannot, however, be hoped to be maintained longer owing to the decline of his strength and vigour from age, it is not without its detrimental effects on the Matt's local disciples, who whenever they want holy ceremonies performed for members of their family, become seriously handicapped by the Guru's absence from the Matt, and will be compelled to choose between going to Tirupathi or Pandarapur, which many cannot afford to do, or postpone the function altogether to mere future chances. This regretable state of affairs, we, the disciples of the Matt are unable to improve by ourselves, as our poverty prevents us from paying towards the expenses of the Matt as much as would save its Mahunt the necessity of his visiting foreign places too freequently.. Thus, we and our posterity are under the fear of falling into religious degeneracy which brings about moral decline and with it, all undesirable evils.

9. As loyal and devout subjects, we beseech your Gracious Highness to pity our condition and facilitate our religious observances by reviving the charities sanctioned for our Matt by your Highness's august grand-father and granting additional aid required for it under the changed condition of times. We pray—

(1) That the grant of daily allowance of 5 seers of rice with suitable **layazams** sanctioned for the Matt under the late His Highness Krishna Raja Wadeyar Bahaddur's sannad dated 24th June 1830, but stopped by the arbitrary proceedings of the Melkote Temple and Local authorities may be ordered to be renewed;

(2) That the privilege of our Bhyragi Matt of receiving, as in the case of similar Institutions of the place, extra rice doles of 10 seers per day, for feeding extra number of pilgrims from foreign places during the 10 days of the celebration of the Krishna Raja Tirunal festivities, also sanctioned by the late His Highness Krishna Raja Wadeyar Bahadur, but allowed by the Temple authorities in full for only a few years, reduced subsequently and altogether discontinued from the year 1849, may be ordered to be restored; and

(3) That the monthly cash grant of Rs 13—5—0 for the Matt or Rs. 14-1-0 including the light-allowance of 12 annas may be graciously raised at least to Rs. 50 a month, with the benign consideration that the said grant was fixed nearly a century ago according to the then market prices, that rates for all commodities have since become more than treble, and that the employment of a hand to attend to the Matt's correspondence and accounts is very necessary for its better and more efficient management.

10. Our humble further prayer to your Gracious Highness is for the redress of a grievance which is of a sentimental character. The Mahunt of the Bhyragi Matt at Melkote, who is very ceremoniously addressed by the Mahunt at Tirupathi, and whom we recognise and hold as our spiritual Guru was being treated with very scant courtsey both by the Temple and Local authorties. In all their communications to him till up to 1896, the employment of even the lowest term of respect was being studiously avoided, and at times his usual designation of 'Mahunt' was also being omitted. In making references to him they generally chose such words of indignity as, "ನೀನು, ಅವನು, ಇವನು," which infallibly proves their sectarian hatred and intolerance towards our Matt. Though these slights counted for nothing in the estimate of the Mahunts themselves, they were held to be a great insult and a cause of much provocation by their lay disciples. Matters have improved, however, in this respect since 1900, the use of commonplace respectful terminations not being grudged in the references of latter days. But in order that a uniform observance of etiquette may be kept up in the mode of addressing the Head of the above Bhyragi Matt, it is our ardent wish and humble prayer that the publication of an official declaration may be caused to be made to the effect that consistent whith his dignity as the spiritual Guru of a section of your Highness's loyal subjects, the honorific words, "Mahunt Sree" be invariably affixed to his name in all communications addressed to him. By the

grant of this prayer, your Highness will be helping us towards our social advancement, and from a religious point of view, placing us on a par with other minor communities of your Highness' subjects.

11. In conclusion, we most humbly and respectfully beg your Highness's kind permission to express our grateful feelings that your Highness has ever been striving to ameliorate the condition of your Highness has created facilities fo them to represent their sufferings and wants openly and freely and that your Highness is always pleased to give every reasonable support to Religious Institutions. With these encouragements, we fervently hope that your Gracious Highness will be pleased to condescend to grant our above prayers as a Royal boon to your Highness's helpless subjects of the Rajaput and other communities who are the followers of the Melkote Sree Rama Devara Matt.

We most humbly and reverently
beg to subscribe ourselves
Your Gracious Highness'
most obedient, Loyal & Loving
Subjects.
